Dear client,

Seen the present prohibition to ship conventional cargo to the port of Algiers, CNAN Nord has the pleasure to announce they will start a service for ship's convenience to Algiers as from m/v Tychy 15/12/09. Cargoes will be stuffed into container at the quay in Antwerp.

Closing date will be 3 working days before the vessel starts loading, under following conditions:

- cargo to be at quay , fully marked
- loading permit to be in our possession
- customs' clearance, all surveys completed
- cancellation after closing date may result in extra costs in case cargo has already been stuffed

We invite you to contact us for more info/tariffs.

Important: IMO cargoes will not be accepted for this service
